Dear Mr. Giraud :

On behalf of The Board of Directors of The New York Puerto Rican Parade, Inc., I like to take this opportunity to express our sincere gratitude to you and the company you represent for the valued cooperation in the last years parade.

Once again the Puerto Rican Community will celebrate its mayor event along Fifth Avenue, the 1991 New York Puerto Rican Parade, schedule to be held on Sunday, June 9th.

Throughout the past 32 years of hard work and consistency, we are proud to account for the greatest and largest hispanic event in the Northeast section of the Nation. This accomplishment would have been nearly impossible without the joint effort of the community and private sector.

In order for our event to continue to transend, it would be in our mutual interest to meet, while your company is developing its 1991 budget for the hispanic market.

Hoping to find you in the best of health and spirit, and looking forward to meet with you at your earliest convenience.

Respectfully, yours,

Gladys Diaz
President
